

that they also have a responsibility to contribute to infrastructure inherent from the developments they construct.

8. Are there any additional comments you wish to add?

Answer: I'd like to thank all the volunteer community groups that work tirelessly across Ku-ring-gai to raise awareness, provide information, advocate, give support to residents and those in need, making a real difference in so many ways. We are fortunate to have a large volunteer population in Ku-ring-gai compared to the rest of the State. This should never be taken for granted and is an important factor in what makes Ku-ring-gai a wonderful community.
